Upcoming LGC Events

Tonight's Schedule
7:00pm in front of the Café
LGC Cruiser Draw
Entrant's Raffle Draw

LGC Cruisers.

We've stopped taking new Cruiser subscriptions because with the Grand Prizes drawn last month and only a couple of cruise nights to go, there's not really enough benefit left over the next couple of months to justify us receiving your \$20 annual subs. We'll open up the register for new subscriptions on the July cruise night.

LGC T Shirts

We have Cruise Night T shirts available at the LGC tent. There's a limited number of sizes. \$25 each or only \$20 if you're a current LGC Cruiser. Be quick! First in best dressed.

New Sponsors

We're very pleased to welcome Doug Rutter & his team from

as new sponsors. Doug has provided vouchers for tyres as prizes in the coming year. He is also offering all LGC Cruisers 10% discount on all purchases, services & mechanical repairs. Tyres & More can be found at the corner of Tyabb- Mornington Rd & Racecourse Rds. Tel. 59752555

We're also delighted to welcome Gary & his team from

in Aster Ave, Carrum Downs as new supporters. They have provided a chassis dyno tune as a prize for one lucky cruise night entrant.

'End of Season' Cruise to Beechworth May 4/5th

Before the change of season banishes your favourite car into the garage for the winter, join LGC for our 'End of Season' cruise to Beechworth. Enjoy all this

great tourist town has to offer. Join us for Dinner on Saturday night then enjoy then enter the 'Drive Back in Time' car show in

the centre of town on Sunday. See the girls at the LGC tables for more details. There is no cost to join our 'End of Season' Cruise or need to register. Arrange your own accommodation for one night only, or stay over and enjoy more of the NE.

Mid Winter Cruise Sunday 14th July 2013

We had such good feedback from entrants attending last year's cruise to Sorrento that when the local Chamber of Commerce were keen to have us return we thought why not? We'll be cruisin' on the new freeway to Rosebud, so put this date in your diary. Look for details on the start location on our web site or cruise night flyers in the next couple of months.

Mt Martha Rotary Club

Tonight's BBQ is provided by the hard working volunteer members of this local club. All profits raised will be used to support charities and local community projects, so please support them by buying a sausage.

Recent Police Action

We are waiting to be advised of a meeting scheduled involving senior police officers, VicRoads, the ASRF & ourselves to discuss issues arising from the complaints made. We'll keep you posted of any outcomes as they occur.

End of Daylight Saving.

This is the last 'daylight saving' cruise night until next November. Daylight saving recommences on Sunday Oct 6th.
