**Mid Winter Cruise Sunday 14<sup>th</sup> July 2013**

We had such good feedback from entrants attending last year's cruise to Sorrento that when the local Chamber of Commerce invited us back we thought why not?

Register in the Food Hall at the Frankston Power Centre located at the corner of Cranbourne Rd and the Frankston end of the Peninsula Freeway [not to be confused with the Peninsula Link Freeway] from 9:30am to 10:30am. Cruise down the Mornington Peninsula arriving in Sorrento in plenty of time before lunch. Entrant's prizes + kids activities with prizes. Presentation at the Community Centre in Morce Ave at 2pm.

**Spring Cruise to Apollo Bay**

We've had a lot of people who attended our last cruise along the Great Ocean Road with an overnight stay in Apollo Bay, ask when are you going to do another one? Well the answer is later this year.

We've worked out the program, which includes a lunch stop at the '50's diner at Airey's Inlet, dinner at the Apollo Bay Hotel and Sunday lunch in Lorne on the way back. The only detail we have to finalize is the date, expected to be during September. Details to follow on our web site and cruise night flyers.

**Pink Slips**

**"CHRISTMAS IN JULY" AT "WINGS & FINS", Tooradin Airport**

**Friday July 5<sup>th</sup> from noon.**

Join the Pink Slips for a fun day at "Wings & Fins" Restaurant at Tooradin Airport. We will have a \$10 Kris Kringle for those who wish to take part and some lucky spot prizes. Lunch will be a la carte and for a sample of their extensive menu log on to their web site <http://www.wingsandfins.com.au> Bookings are essential so be sure to sign up at any LGC event or contact us at [cruisinletsgo@hotmail.com](mailto:cruisinletsgo@hotmail.com) to secure your seat.

**Nov 7-9<sup>th</sup> 2013 – Two Day Sampler Cruise on the 'Voyager of the Seas' Cruise Liner**

You read right. The Pink Slips are hosting a group cruise on one of the world's best cruise ships.

We have 40 couples already signed on for what will be weekend to remember. Our local travel agent has only a couple of cabins remaining from our block booking so be quick as this cruise is already a sellout. See Cheryl at the LGC table if you'd like the details on how to grab one of the remaining cabins.

**Nov 30<sup>th</sup> 2013 Another cruise but closer to home! And on another boat! Not quite as big though!**

Register tonight for a cruise on the 'Moonraker' out to South Channel Fort situated in the southern end of Port Phillip Bay. Starting from Sorrento, this cruise

includes a tour of the historical Fort built back in the 1880's with lunch at the Fort. Places are limited so don't delay. See the Cheryl at the LGC tables tonight to register.

Have the Pink Slips taken this Cruise thing a little off the rails??

**Black & White Charity Dinner Dance**

Last Saturday night the Pink Slips hosted a charity dinner dance to raise funds for 'CIKA' children with cancer, an auxiliary of the Children's Hospital. With generous support of many people and organizations along with the 140+ people attending we were able to raise \$10,650 for CIKA to help fund ongoing research into children with cancer. Our thanks again to all that contributed to this great result.
