We expect to have less parking due the building works so if you come along in a daily driver please park it away from the cruise night area.

Developments at The Homemaker Centre

You may have read in the local papers details of upcoming developments at our Cruise Night venue. The development involves the construction of a building extension in the far corner of the car park [previously a Home Building Centre] to house a new Aldi Supermarket. The other element is a new 'Family Style' Restaurant to be constructed in the middle of the car park roughly in line between Goodguys & Harvey Norman. This construction will have both a short term and long term impact on car spaces we can have use. Construction on both projects is planned to commence shortly.

The new restaurant will be operated by the crew from the Sober Mule and will offer greater choice of food & beverage than is possible from the current cafe.

We'll assess the centres ability to host our cruise nights after the two projects completion. Hopefully these developments will make it an even better venue.

Let's Go Cruisin' is partnering with the Rosebud Chamber of Commerce, the Rosebud Rockers and CJ Rockers to host Foreshore RockFest over the weekend of November 25-27th 2016. With Rosebud's long history as a great place to enjoy summer beach holidays, what better place to revive and enjoy the fun filled 50's & 60's lifestyle. Foreshore RockFest will celebrate all your favourite elements of the 50's & 60's. The music, dancing, clothes, cars and even the camping Rosebud is famous for.

We'll have more details to share as the planning for the Foreshore RockFest continues, but for now we can confirm that the festival will include:

- Beach Party on Friday evening on the Foreshore to kick things off
- Saturday & Sunday live bands & dancing at the 50's & 60's Lifestyle Market
- Multiple dance venues with live bands on Saturday night
- Texas Hold'em Poker Run on Saturday
- Show & Shine on Sunday
- Great prizes from the 'lucky program' raffle
And there's much more to come.

For now, put this date into your schedule for next year as we work towards making this a great weekend for chrome bumper enthusiasts to enjoy.
