# FORESHORE RockFest

Rosebud 50's-60's Festival

Let's Go Cruisin' is partnering with the Rosebud Chamber of Commerce, the Rosebud Rockers and CJ Rockers to host Foreshore RockFest over the weekend of November 25-27<sup>th</sup> 2016. With Rosebud's long history as a great place to enjoy summer beach holidays, what better place to revive and enjoy the fun filled 50's & 60's lifestyle. Foreshore RockFest will celebrate all your favourite elements of the 50's & 60's. The music, dancing, clothes, cars and even the camping Rosebud is famous for.

We'll have more details to share as the planning for the Foreshore RockFest continues, but for now we can confirm that the festival will include:

- Beach Party on Friday evening on the Foreshore to kick things off
- Saturday & Sunday live bands & dancing at the 50's & 60's Lifestyle Market
- Multiple dance venues with live bands on Saturday night
- Texas Hold'em Poker Cruise on Saturday
- Show & Shine on Sunday
- Pin Up Contest
- Vintage Fashion Show
- Great prizes from the 'lucky program' raffle
- Camping sites available near Village Green
- And even more to come!

We're setting out to make this a celebration of everything that was great about this era. Music, clothes, movies, caravans and of course the cars!

Put this date into your schedule for later in the year as we work towards making this a great weekend for chrome bumper enthusiasts to enjoy.

## Developments at The Homemaker Centre

It's taken a while to get started but as you will notice the building development is well underway. It is expected to run until mid year. We will still have around 200 car parking spaces available with some additional spaces in the area in front of BCF which we have not needed to utilize in the past. This should allow us to host the numbers that have been cruisin in over the past months. We ask for your assistance as we find a space for everyone when we're getting close to full.

If you are coming to the cruise night in a late model car we'd appreciate it if you can park outside the area we set up for the cruise night entrant's cars.

The development involves the construction of a building extension in the far corner of the car park [previously a Home Building Centre] to house a new Aldi Supermarket. The other element is a new 'Family Style' Restaurant to be constructed in the middle of the car park roughly in line between Goodguys & Harvey Norman. This construction will have both a short term and long term impact on car spaces we can have use, but will provide a new family style restaurant that can provide a full meals menu with sit down dining options. The new restaurant will not be open to the public on Tuesday nights and will only open for our cruise night, hopefully resulting in an even better venue for our Cruise Night.

## Victorian Hot Rod Show

Let's Go Cruisin was invited by the VHRA to host a display in the outdoor annex for this year's Hot Rod Show. The fifty car owners who registered to come along for the day started out with a short cruise from the Eastlink BP. We drove through a shower on our way to Carlton but the day definitely improved from then on. We had a full display of quality cars, the weather eventually came good and the VHRA came up with another Show beer fridge as a prize in our raffle draw. The Pink Slips all went off for a nice

lunch at Harbourn town, Geoff won the Show's beer fridge, Chris went home with a very nice Mercedes Benz watch supplied by Mercedes Benz Mornington, Shane picked up the \$100 in the Cruiser draw and there were goody bags and 'Nostalgic' Hot Rod Show T shirts a plenty. Of course there

were all the great cars inside the Exhibition building to drool over. The day disappeared very quickly so that's always a sign that there was plenty to do. Special thanks to Bill & Kerin Duyvestyn for putting the day together for us to enjoy.
