Next Peninsula Cruise Night

Easter Tuesday April 3rd

Some Changes Coming to LGC

We stated right from our early days of hosting events that we wanted to avoid falling into the 'same old/same old' events pattern that diminishes the enthusiasm for both us hosting events and entrants looking to coming along. Here are the changes that we can announce now and there's more on the way as we finalize details.

We won't be changing our objective of hosting events that are family friendly, fun to participate in and good value for any entry fee. We will also make sure there's always something extra for *LGC Cruisers* at every event.

Winter Recess. We have decided to take a break over the 3 winter months [Jun/Jul/Aug] each year. We will host all our events from September to May from now on.

Winter Cruise Nights. After hosting 158 cruise nights straight, with winter cruise nights always held in the dark combined with the increased risk of wet weather there's not as much fun involved in getting your favourite car out as in other months.

We start the Peninsula Cruise Nights up again on September 4th.

Mid Winter Cruise

We're parking the Mid Winter Cruise as part of our winter recess as well.

LGC Cruisers will receive their annual newsletter in August and renewals can be accepted from the September Cruise night.

What's New

Here's what we can announce tonight.

Goodbye Daylight Saving Cruise

Tuesday 20th March

Join us in a cruise to farewell daylight saving. Cruise departs from Sober Mule at 6pm and ends at the Baxter Tavern where we can lament the loss of an hour of sunlight from cruise nights over a snack, drink or meal.

LGC Cruiser draw of course. If you plan to stay for a meal please book your own table on 5971 2207. Mention LGC when booking.

Winter Months Catch Up [Jun/Jul/Aug]

For those of you that want to maintain the 1st Tuesday of every month ritual, come along for a social catch up with some of our members at the Baxter Tavern in Baxter Tooradin Rd Baxter for a chat or a meal. Make your own meal booking please as we are officially in recess.

Ocean Cruise - Nov 27th to Dec 1st

With all the fun we had on our two prior cruises, we've opted for a shorter 4-night cruise departing and returning to Melbourne. With no passport required, we cruise on P&O's Pacific Jewel. For those that are yet to taste ocean cruising here's your chance. Get the details for this cruise at the LGC tables. Sure to be a lot of fun - 12 cabins already booked!

New Activities we're working on
Tune in for details via our cruise night flyer, web pages or facebook as we wrap up the plans for the following activities.

Weekend Cruise

We're working up a plan for a cruise with a Saturday night stay for later this year.

Melbourne Cup Day Cruise Night

With Melbourne Cup Day always falling on the 1st Tuesday in November, we've hosted a Cup Carnival over the last few years. We're working up a fresh approach for this day.

Car Boot Sale

We're pretty certain that anyone with a collectible car has stuff they no longer need [be honest, we all do], but not everyone can spend a day at a swap meet.
