

Cruise Night May 2018

Tonight's Schedule
6:30pm Prize Draws & Presentations

LGC Cruisers.

Look for our annual Cruiser Newsletter with details of prizes available in the annual Grand Prize draw as well as next seasons event schedule in August. Cruiser subscriptions for 2018/19 can be renewed from the September Cruise Night. Still only a \$20 annual subscription.

Upcoming LGC Events

Ocean Cruise - Nov 27th to Dec 1st

With all the fun we had on our two prior cruises, we've opted for a shorter 4-night cruise departing and returning to Melbourne. With no passport required, we cruise on P&O's Pacific Jewel. Get the details for this cruise at the LGC tables. Sure to be a lot of fun with 20+ cabins already booked! We are intending to book a coach to travel to the ship on departure day and pick up on return. If you're interested in reserving seats, see Kerin at our tables or drop us an email on cruisinletsgo@hotmail.com

Visit & Lunch

This day out is back by popular demand. We hosted this day earlier in the year and many of our regulars who missed out have heard what a fun day it was and have asked us to host it again. Those of us that did attend are happy that it's on again. Final details for the day will be circulated to all those that register on the signup sheets at the LGC tables tonight.

Some Changes Coming to LGC

Just in case you missed last month's flyer and haven't caught up with the changes we have made to our annual calendar, here's a repeat of our announcement.

Winter Recess. We have decided to take a break over the 3 winter months [Jun/Jul/Aug] each year. We will host all our events from September to May from now on.

Winter Cruise Nights. After hosting 158 cruise nights straight, with winter cruise nights always held in the dark combined with the increased risk of wet weather there's not as much fun involved in getting your favourite car out as in other months.

We start the Peninsula Cruise Nights up again on September 4th.

Mid Winter Cruise

We're parking the Mid Winter Cruise as part of our winter recess as well.

LGC Cruisers will receive their annual newsletter in August and renewals can be accepted from the September Cruise night.

What's New

Winter Months Catch Up [Jun/Jul/Aug]

For those of you that want to maintain the 1st Tuesday of every month ritual, come along for a social catch up with some of our members at the Baxter Tavern in Baxter Tooradin Rd Baxter for a chat or a meal. Make your own meal booking please as we are officially in recess. Call 5971 2207 and mention that your booking is for the 'Car Club' and the staff will locate your table in an area for our get together.

New Activities we're working on

Tune in for details via our cruise night flyer, web pages or facebook as we wrap up the plans for the following activities.

Weekend Cruise

We're working up a plan for a cruise with a Saturday night stay for later this year.

Melbourne Cup Day Cruise Night

With Melbourne Cup Day always falling on the 1st Tuesday in November, we've hosted a Cup Carnival over the last few years. We're working up a fresh approach for this day.

Car Boot Sale

We're pretty certain that anyone with a collectible car has stuff they no longer need [be honest, we all do], but not everyone can spend a day at a swap meet, so here's your chance to clear out some smaller treasures.

LGC Merchandise

Check out our 'speedo' design T shirt that we have available in a wide range of coloured shirts. We have stock in a *limited range of shirt colours & sizes* available to take home tonight. There might even be a shirt colour that matches your car. *Note that the colours in the 'speedo' graphic used for the printing are the same on every shirt.*

Ball Caps We have few new design ball caps available if needing to keep your head warm as we cruise into cooler months.

Window stickers.

We have a range of colours to display on your favourite ride, your beer fridge or daily driver. See Geoff at our tables and take some home tonight.

Are late model Mustangs Special Interest?

We have always welcomed a number of late model cars as 'special interest', that is cars that in the main are enthusiast owned and not seen every day. With late model Mustangs now readily available and seen daily on our roads, we feel that they no longer meet the 'special interest' classification. As much as we all want one, and they may become collectible in years to come, please understand when our gate crew request that you park outside our display area at future cruise nights.
