Annual Cruiser Grand Prize Draw

If Santa Cruz is our most popular cruise night each year, then our March cruise night runs a close second. Why? It's because tonight we find the winners in the annual Cruiser prize draw. If you have taken out a 2020 subscription then you're automatically eligible to win one of the following prizes to be drawn at 7:00pm tonight:

Dave from the Frankston Engine Centre has made available \$500 in cash for one lucky *Cruiser* to win in year's *Cruiser* prize.

Tony Morphett and his team at Garage 12 in Collins Rd Dromana have also made available \$500 in cash for the prize draw.

But there's more!

SHARE THE PASSION

The team at Shannons have also made available \$500 in cash for the prize draw. Talk to anyone who has ever made a claim and you'll know why you should be with Shannons.

A \$1000 voucher towards a 'Big Brake kit' or other brake products compliments of Hoppers Stoppers, Hoppers Crossing.

Foxy's are generously supplying a Polar portable air conditioner valued at \$1499. Too cool.

The Rules:

By being a paid up LGC Cruiser subscriber you are automatically entered in tonight's draw. By being present at the draw, regardless of which order your name is drawn out, you will have priority pick over winners not present.

Our thanks again for the generous support of our sponsors for making these prizes available. Good luck.

Ocean Cruising

Cruise to Kangaroo Island.

Just 2 weeks ago, 120 happy "ocean" cruisers, including many first timers, were on board P&O's

Pacific Aria as we cruised towards Kangaroo Island. There's lots of decisions to make when cruising. Where to eat & when, which bar to hang out at, what entertainment to go to and a question often asked, which side of the ship is our cabin again?

Wednesday saw us tender off the ship to the dock at Penneshaw. Lots of different options for shore excursions had everyone off in different directions. The locals hosted a market and the Penneshaw Pub was in full swing all day.

Back on board the Pacific Aria and it was all those decisions again. What to do from all the choices as we cruised back to Melbourne. A big thank you to Kerin who pulled the cruise together for us all to enjoy.

Hope to see you on an "ocean" cruise with LGC sometime in the future.
