Coming Cruise Events

'End of Season' Cruise to Beechworth May 2/3/4th

We have hosted our 'End of Season' cruise to Beechworth for the last couple of years and all who have come along have

enjoyed all this great tourist town has to offer as well as the 'Drive Back in Time' car show in the centre of town on Sunday. After numerous requests, we plan to extend the cruise to include Friday in our travel plan for this year. We'll be visiting Milawa and Yackandandah as well as Beechworth. There is no cost to join our 'End of Season' Cruise or need to register, just arrange your own accommodation and be ready to leave from the northbound Service Centre on Eastlink just near the Wellington Rd interchange at 8:30am on Friday.

Mid Winter Cruise Sunday July 6th

We've cruised in past years to Healesville, Moe & Sorrento but always standing around in the weather at the end. This year the LGC ladies argued for an indoor venue. It is winter after all, so we have arranged a warm indoor venue for the finish of this year's cruise. Registration at the Sober Mule café at the Homemaker Centre Mornington from 9:00am. Last cruise convoy departs at 11:00am for Flinders. A short scenic cruise around Red Hill region finishing at a private club where lunch will available. Lots of entrant's prizes and giveaways, kid's colouring contest and the picturesque village of Flinders to explore after prize presentations at 2:00pm. This cruise will have a cap of a maximum of 200 entrant cars. LGC Cruisers can preregister at the LGC tables. Still only \$5/car.

10th Anniversary Polo Shirts

To celebrate our 10 years of 'cruisin'', we have produced a 10th anniversary polo shirt. The graphic printed on the back of the shirt shows a variety of cars 'cruisin'' based on original art work by renowned artist Aden Jacobi.

If you ordered a shirt at the March Cruise Night, call by the LGC tables. At the time of drafting this flyer, we plan to have your shirt to collect.

We have a limited stock of men's sizes SM to 3XL and ladies sizes from 8 to 20. Front of all shirts will feature a small LGC logo with a special 10th Anniversary script. Be quick, they won't last long.

10th Anniversary Cruise Oct

Let's Go Cruisin celebrates its 10th year of hosting chrome bumper events in 2014. The 35 couples that recently joined us

for a fun filled two day cruise got us thinking about hosting another 'water' cruise to celebrate. Well any excuse will do won't it! Sailing from Sydney on Oct 11th, this 9 day cruise visits Noumea, Vanuatu and New Caledonia provides us a very good group discount deal so if you'd like to find out more, see the LGC girls at the LGC tables for more about a great holiday at a discounted LGC group price.

Cruise Night Behaviour.

At last month's cruise night we experienced two incidents of undesirable behaviour. One involved a volunteer traffic marshall being abused & threatened by the driver of a late model sedan, [which we do not classify as a vehicle of 'special interest'], when the driver was directed to park in the spectators area. The second involved the owner returning to his car to find someone unknown to him leaning on the front of it. The members of Let's Go Cruisin' and other volunteers, in this case Rotary, volunteer our time and energy to make events such as the cruise night available for your enjoyment. This type of behaviour is not acceptable to us, our volunteer helpers or the businesses that enable us to host events. If you cannot act responsibly when at our events don't come! If you have mates that have a history of causing problems, don't invite them! We have no problem involving the police if warranted. We don't see why one individual should put our cruise night at risk. We ask for your support in continuing the great 'vibe' we all enjoy.
